### **\*\*Important Notice –Fall Submission Cycle for SID\*\***

Districts are required to submit Title I data to the Center for Educational Performance and Information (CEPI) during a fall submission window. These data are necessary for inclusion in the Consolidated Performance Report and elements associated with Adequate Yearly Progress (AYP).

All districts are required to submit Field 30: Title I Program via the School Infrastructure Database (SID) Application for each school/facility listed for each intermediate school district, local education agency and public school academy. Beginning with the Fall 2006 Title I Data submission, schools/facilities are required to report Field 31: Title I Instruction in a Schoolwide Program only if they participate in a Title I Schoolwide Program (SWP). Schools/facilities that do not participate in a SWP cannot submit Field 31.

Fields 30 and 31 will be prepopulated with the data submitted during the Fall 2005 SID Submission. During the fall 2006 submission cycle, districts are required to update Title I data as appropriate for the 2006-2007 school year.

The SID Application will be available for the Fall 2006 Submission of Title I data from Monday, October 2 through 11:59 p.m. on Monday, October 30, 2006.
